Subject : Drawings and Preliminary Operating Instructions--
Briefing Print Enlarger

1. One set of drawings and one copy of the Preliminary Operating Instructions for the Prototype Briefing Print Enlarger (BPE) are being shipped to you this date. As discussed at the last liaison conference, [] would like comments on the Instruction Manual by 1 September 1967 so they can be incorporated in the final manual to be published with the production models. Replies should be forwarded to [] for coordination through established mail channels.

2. The prototype BPE was delivered and installed the last week of June 1967. An invitation is extended to DIA representatives who would care to observe the operation of the equipment. Contact should be made through []
